July / August 2010

It's already time for... THE CAMPOUT!

It has already been one year since the annual DATUS Campout! This year's Campout will be held on the weekend of Saturday, July 24th and Sunday July 25th. Come out to Lambert Hollow and enjoy camping with friends and family, festivities, and FUN!

Bring your tent or trailer and spend the weekend. Feel free to show up early and stay as long as you like! This is a great time to get other family members and friends familiar with DATUS. Invite people to come out and experience the club and see what we are all about.

Saturday night is potluck dinner, so bring a dish (either side or main) to share. Remember your own plates and utensils. DATUS will provide drinks.

Immediately following the potluck on Saturday night, we will also be having our General Membership meeting. We want everyone to come because there is a lot to cover. We will be giving away a free 1 year DATUS membership to a member in good standing.

What you can expect at the Campout:

- 18-hole Golf Course
- 18-hole Novelty Golf Course
- 3D Animal Course
- Kid's 3D Course
- Long Shot

As always, there is no fee to shoot at the campout.

In this Issue:

- Clean-up reminder
- Bids for parking lot
- Archery hunting dates to remember
- Upcoming Events
- Reminder that the World Cup is coming to Utah

CLEAN-UP

About a month ago, there was a meeting at the clubhouse to help clean the outside of the building. Ben and Emily Johnson, Robert Powell, Jeremy Oviatt, and Scott Valenzuela were the only ones that showed up. THANK YOU!!! If you happen to see any of those people, tell them THANK YOU! Despite not having much help, the painting was finished.

PLEASE spend time cleaning the clubhouse. It is warm outside, and garbage needs to be picked up outside. Take the time to keep our clubhouse looking nice.

HELP!!

We need to get some bids on slurring/re-tarring/fixing the back parking lot. Please help if you know someone in this business. We will need to get at least 3-4 bids to compare before Mid-September.

Everybody get ready.....

General Archery Hunting Season Begins Saturday August 21st

Important Dates to Remember

Hopefully everyone has been pulling out those hunting bows and started shooting. If not, you are less than one month away from

the bowhunt. Good luck everyone and be safe this hunting season.
