Completing Your Work Hours

Spring is here, along with beautiful weather. We hope that you are enjoying the weather by going outside to shoot your bows. Some of you lucky people may be preparing for some turkey hunting.

Spring is also the time for annual Spring cleaning. We will begin forming spring cleaning work parties for areas that need work around the club. Get ready to begin working on the outside target bail and shooting

lane. This area definitely needs to be cleaned up and needs to be prepared for many shooters this Spring and Summer. Also, we need to finish painting the club house within the next month. Don't forget to help with these projects and get your work hours.

Upcoming Events

Golf shoots are beginning this month!

Our first Golf Invitational is April 10th-11th.

There are many openings available for work hours at this shoot! If you are already signed up to help - Thank You.

We are having a second Golf Invitational from April 17th-18th. Come out to Eagle Mountain and enjoy the outdoors. There will be food, friends and fun.

Remember that you can also complete your work hours at this shoot.

April 24th-25th will be the Bridgerland Classic 3D and Golf at the Color Country Areana in Cedar City.

April 30th is the beginning of Redding! We hope that some of you might make it out to California for a fun, outdoor 3D shoot.

Please remember that you should not be storing your personal items at the clubhouse. DATUS is not responsible for anything left in the building.

New Member Policies

At the last meeting, it was decided that new members should just come to one board meeting, but stay for it's entirety. Before, new members would need to come back to a second board meeting before they could be voted in.

Completed Work Hours up to 3/1
